Alpha Trust Leave of Absence Policy

This Leave of Absence Policy has been developed to assist Alpha Trust Academy leadership teams and Local Governing Boards (LGBs) to manage leave of absence and create a culture of attendance, underpinned by clear reporting procedures and active management and monitoring of absence throughout each Academy. This Leave of Absence policy should be read in conjunction with the Alpha Trust Sickness and Absence Management Procedure.

1. Introduction and scope

This policy sets out how requests for leave of absence will be managed. The Trust recognises that on occasion there may be circumstances where employees need to request time off during term time. If this is the case, employees must ensure this policy is followed when making such a request. Each request will be considered on its own merits in accordance with this policy. Where an individual makes excessive requests for leave of absence this will be monitored by the Trust and any appropriate action taken. The policy applies to all Trust employees including those employed to work in individual academies within the Trust and to staff who are employed to work centrally and/or support several or all Trust academies. It does not apply to volunteers or individuals supplied through an agency or third party.

Leave of absence falls into three main categories for the purposes of this policy. The tables in the Appendices attached to this policy detail the types of leave of absence that may be requested and indicate whether the leave of absence is:

- Statutory - *where there is a legal entitlement to some leave*
- Contractual - *where there is an entitlement as part of the employees' terms and conditions*
- Discretionary - *where there is no entitlement but the Trust may agree to grant leave of absence after considering the circumstances.*

For statutory and contractual leave, the table sets out the legal/contractual entitlement to leave and whether leave is paid or unpaid.

Where leave of absence is discretionary the request will be considered and a decision made as to:

- Whether to grant the leave
- How much leave to grant
- Whether the leave will be paid or unpaid

Once a decision has been made, this will be communicated to the employee as soon as possible.

2. Procedure for applying for leave of absence

Requests for leave of absence should be submitted by completing an Absence Request form (a suggested template is to be found at the end of this policy). Copies of the form are also available from the administration office in each Alpha Trust academy.

Applications should be submitted to:

Academy Employee	Line Manager Head of School Principal
Principal	Chair of Governors (from LGB or Trust Board) CEO
Trust Employee (Central Services)	Line Manager CEO

Note: The term 'Principal' is used to identify the person with responsibilities of headship within each Academy, who may be referred to locally as Headteacher, Principal, Executive Headteacher, Executive Principal, Head of School or Associate Principal.

Employees must give as much information as possible when considering the request and indicate whether they are requesting paid or unpaid leave to assist in considering the request and making a decision.

3. Notice requirements

Specific notice periods are mandatory for some types of leave (e.g. maternity, paternity leave) and these are indicated in the leave tables (see Appendices 1-5), together with the reference point for further information.

For all other leave, employees should request leave of absence with as much notice as possible, and in any case in accordance with following timescales.

Length of leave of absence requested	Minimum Notice required
Up to 5 days	1 week
5 days and over	1 month

4. Emergency leave requests

In certain circumstances it may not be possible for the employee to request the leave of absence, in writing, in advance.

In these circumstances the employee should follow the agreed procedure in their Alpha Trust Academy. See Appendix 7 for each Alpha Trust school's procedure.

An initial decision whether leave of absence is granted to cover the initial emergency situation will be made and notified verbally to the employee. A written record of the details of the request for leave of absence and the decision regarding the granting of any leave of absence will be made. The record will be signed by the employee on their return to work. This will then be kept on the employee's personal file.

5. Considering leave of absence requests

The appropriate person, upon receipt of a leave of absence request, consider the request in line with this leave of absence policy, the particular circumstances of the case and any operational requirements of the establishment. They will also take into account any other relevant factors including:

- how many previous requests have been made by the employee and for what reason
- whether any previous requests for absence in the same circumstances have been approved, how many, for how long and whether the leave was paid or unpaid
- how similar requests from other employees have been dealt with
- whether they are setting a precedent for how similar requests will be dealt with in future

The Principal will notify the employee in writing, as soon as possible, of the decision. The approval section on the Absence Request form should be completed and signed and a copy of the form will be provided to the employee.

If the request is not agreed the employee will be notified that they have the right to appeal against the decision.

The request for leave of absence and a copy the decision will be placed on the employee's personal file.

6. Appeals

Employees have the right to appeal against a refusal to approve a leave of absence request or against a refusal to approve paid leave (where the time off has been granted as unpaid leave). Appeals should be submitted within 5 days of receiving the decision.

Any appeal lodged against a decision relating to a request for leave of absence will be heard by:

Academy Employee	Principal CEO Panel of Trustees and/or Governors
Principal	Panel of Trustees and/or Governors
Trust Employee (Central Services)	CEO Trust Panel

Note 1: The term "Principal" is used to identify the person with responsibilities of headship within each Academy, who may be referred to locally as Headteacher, Principal, Executive Headteacher, Executive Principal, Head of School or Associate Principal.

The employee and their chosen representative (normally a representative from a recognised trade union or work colleague) may attend any such appeal meeting to make representation.

The decision of the Appeals Committee will be final.

7. Unauthorised leave of absence

Employees who take time off work without following the appropriate procedure for requesting leave and/or who take time off without receiving appropriate approval may be subject to disciplinary action in line with the disciplinary procedure.

Employees who take unauthorised absence will not receive payment for such absence other than in exceptional circumstances.

8. Impact on Pension

When a Pension Scheme member has authorised unpaid leave of absence, the period of any such leave will not count towards their Pension.

Members of Staff are responsible for obtaining information about how to make up any lost pension and for making any arrangements:

- Members of the Local Government Pension Scheme can buy back any period of authorised unpaid leave through an Additional Pension Contribution (APC) contract.
<http://www.lgps2014.org/content/how-do-i-buy-extra-or-lost-pension>
If you elect to enter into an APC contract within 30 days of the unpaid leave, your employer will pay 2/3 of the cost and you will pay 1/3. Further information: <http://www.lgps2014.org/>
- Members of the Teachers' Pension Scheme can purchase additional pension subject to a minimum amount. Further information: <https://www.teacherspensions.co.uk/>

9. Data Protection

When an employee makes a request for leave of absence under this policy, the Trust will process any personal data collected (including written records of meetings held under this process) in accordance with its data protection policy. In particular, the Trust will only record personal information required to deal with the employee's request for leave of absence and keep this information only for as long as necessary to deal with the request. Data collected as part of a leave of absence request is held securely and accessed by, and disclosed to, individuals only for the purposes of responding to leave of absence requests.

On the conclusion of the process, data collected will be held in accordance with the Trust's retention schedule. Inappropriate access or disclosure of employee data constitutes a data breach and should be reported in accordance with the Trust's data protection policy immediately. It may also constitute a disciplinary offence, which will be dealt with under the Trust's disciplinary procedure.

Absence Reporting Procedure

First Day (Please follow 1, 2 and 3)

1. If you are unable to attend work due to ill-health, or for any other emergency reason, please ring the school - 01206 576973 and leave a message on the school staff absence extension by 07.45, or speak to Mrs Anne Adkinson between 07.30 and 08.00. **Contact should be made by telephone and in person unless there are particular reasons why this is not possible.**
2. **Teaching staff** should also contact their Head of Subject or line manager to inform them of their absence. Teaching staff should email cover work to AAdkinson@cchsg.com, for the time they are absent, with a copy sent to the relevant Head of Subject. Cover should include homework if it is timetabled for that day.

Support staff should contact their line manager by 08.30 to let them know they are absent.
3. **All staff** - call and speak to Willa Jackson (Associate to the Principal) to discuss your absence. WJA is usually available between 07.45 to 08.30 or leave a number with Anne Adkinson so that you can be called back. If WJA is not available then please ensure you speak to another senior member of staff on your first day of absence.

Staff Absence

- Linda Exley, Executive Principal is the only person who can authorise absence for any reason, medical or otherwise. She has delegated this responsibility in the first instance to Alison Tuckwell, HR Manager.
- Give as much notice as possible of any absence. All staff must complete yellow leave of absence/cover slips, which are available in the staffroom. These should be first discussed with your Line Manager and then given to Alison Tuckwell. Alison Tuckwell has been asked not to accept them if they are not signed.
- If you will be absent because of a course or other professional development, you will need to first complete a yellow (absence) and blue (course request) slip and have the former signed by your line manager before requesting the authorisation from Tessa Bates, Assistant Head (CPD).
- Even if you will be out on an activity that has been approved, you must still complete a yellow request slip. It is the responsibility of the person who will be missing the lessons to complete this. (Please do not assume that someone has done this on your behalf.)
- Staff should complete the same procedure to protect a non-contact lesson to ensure that planned meetings are not disrupted.

If for any reason an activity is cancelled and you will no longer be missing lessons, then it is up to staff to inform the HR Office, with as much notice as possible; if we have booked a supply teacher and they come in, they still have to be paid.

If you are unwell and unable to come to work, please follow this procedure:

All Staff

- Telephone **not text**, Alison Tuckwell at home in the morning between 7.00 am and 7.30 am on 07434 533 027. The phone is not monitored outside of these hours and therefore contact made should be via the main office.
- Let your Line Manager know as soon as possible that you will not be in. It is important that you have their phone number with you at home.
- If your absence is for more than one day, please keep the school informed of your expected date of return by phoning Alison Tuckwell each day. Sometimes you may need to try the number more than once if it is engaged.

Teaching Staff only

- **Cover work**
 - Teaching staff will also need to contact your Subject Leader regarding cover work for your classes.
 - You will need to let them know what work you have set, room, class, where they can find the work if it is in school and any other information they may need to know.
 - You will need to complete the school cover lesson plan form and ensure the cover outlines exactly what **MUST** be completed in the lesson and what **COULD** be in terms of expectations.
 - **All information regarding your lessons must be emailed to your Subject Leader and cover@gilberd.com.**

MHS

The employee must make contact with the Director of Operations no later than 7.30am on the first day of the absence. Contact should be by the employee themselves by telephone unless there are particular reasons why this is not possible.

Absence through illness should be notified to the Director of Operations as soon as possible, but by 7.30am at the latest. You must phone, not just email:

Director of Operations	01206 399624	csinclair@manningtreehigh.com
School	01206392852 (after 8am)	School@manningtreehigh.com

If the member of staff is well enough, work should be supplied. If no work arrives it is the responsibility of the HoD and staff in the department to provide work. Departments should have contingency arrangements for such situations. If the member of staff is on duty they should also let their duty leader know. If the member of staff is aware that the absence will last at least 6 school days, the school should be notified immediately. If no message is received before 3.00p.m. on the fifth day of absence, supply cover will be organised for the following day and this pattern will continue until advance notification of return is received. It is also important that your intended return to work is reported to the Director of Operations the night before.
